

## Horse Creek Farm Birthday Parties

### Frequently Asked Questions

#### **How early can I come to set up?**

You may arrive 15 minutes early to set up for your party. If you need additional time let us know. If time is available, it will be billed at \$50/half hour.

#### **How many tables and chairs are there for seating?**

HCF will provide two 6' tables and 16 chairs.

#### **Can we bring balloons or a pinata?**

Balloons are not allowed as they frighten some of the horses. Pinatas are allowed and we can show you where to hang them when you are setting up.

#### **What activities are included in the birthday party?**

The first hour will be 45 minutes of pony/horse rides led by HCF staff. The following 15 minutes will include feeding the farm animals in the petting zoo. The children will get to interact with goats, chickens, and a cow. The second hour is for your cake, presents, etc. You are responsible for all food and decorations.

#### **Is there a limit to the number of children?**

No there is no limit but if you have more than 15 children attending, we recommend a 3 hour party.

#### **What do we need to do to clean up?**

All you need to do is bag all your trash in the receptacles provided. If you have reserved the indoor space, we will come in after your party and clean and mop floors. Just make sure all decorations are taken down and all trash is collected. You have 15 minutes to clean up included in the price of your party. **All cars must be off property within 15 minutes after the end of your party. Parking space is needed for lesson clients or clients arriving to set up for the next party.**
